## Launching COCOA Great Gifts

The face on the cover of this year's COCOA Great Gifts Catalogue is one of 88 children at Khayelihle Children's Village in Zimbabwe. The name 'Khayelihle' means beautiful home.

On a 270 acre farm 12miles from Bulawayo many children, who have been orphaned or abandoned due to the devastating effects of HIV/AIDS, have found a welcoming home where they receive loving nurture and a positive future.

This year's catalogue has many ways to give joy and hope to adults, children and communities across the world as we share the resources with which we have been so abundantly blessed.

Educational and medical supplies, livestock, food, clean water and blankets are all wonderful gifts bringing health and life.

A new feature this year is the COCOA Kids selection of gifts. From socks and jocks to books and soccer balls there are a variety of gifts at affordable prices which will transform lives and bring smiles to many faces.

This year give a gift that makes a difference.

Pick up a Catalogue in the Foyer or see Roz for more info.
